

Wildlife Awards

Award #1: \$500 annually will be awarded to the garden club with the most notable project or projects educating the public on the benefits of gardening for wildlife. Extra points will be given for originality and new ideas. Club size will be taken into considering when judging, so please include the number of members in the club, the percentage of member participation (with names of member participants), AND the approximate number of people educated and how they were notified of the project. Certificates of Appreciation will be awarded to the participating club members.

Award #2: \$250 annually will be awarded to the garden club establishing a wildlife garden or gardens at a public place or places, to include signage to educate the public on how to garden for wildlife and the benefits of doing so. Extra points will be given for articles published in newspapers and periodicals on the project. Club size will be taken into considering when judging, so please include the number of members in the club, the percentage of member participation (with names of member participants), AND the approximate number of people educated and how they were notified of the project. Certificates of Appreciation will be awarded to the participating club members.

Award #3: \$250 annually will be awarded to a junior garden club with the most notable project or projects educating the public on the benefits of gardening for wildlife. Extra points will be given for originality and new ideas. Club size will be taken into consideration when judging, so please include the number of members in the club, the percentage of member participation of the junior garden club (with names of member participants), the percentage of member participation of the sponsoring garden club (with names of member participants) AND the approximate number of people educated and how they were notified of the project. Certificates of Appreciation will be awarded to the participating junior club members and the sponsoring garden club members.
