If your state Awards Application Form has the same requirements as the NGC Awards Application Form, the State Awards Chairman may choose one of the three methods below to submit to the national level.

1. Insert (write/type) necessary NGC information which is required at the top of your state's award application,
2. Attach a sticky label with needed NGC information to the top of first page of your state's Award Application Form, or
3. Complete the top of the NGC Award Application Form with the necessary award/contact information and attach to your state's Award Application Form. (This would allow you to place a 4th sheet on top of the entry.)
