Smokey Bear says: "Only you can prevent wildfires!"

Smokey Bear is recognized nationally and internationally as the symbol for wildfire prevention. The original Smokey Bear appeared in 1944. Smokey's message, "Only you can prevent wildfires!" encourages personal responsibility for wildfire prevention. Smokey Bear teaches children and adults to be careful with campfires, barbecues, burning yard waste, and matches. For more about Smokey Bear visit <https://smokeybear.com>.

Woodsy Owl says: "Lend a hand—care for the land!"

Woodsy Owl is America's icon for the conservation of the environment. Since 1971, Woodsy has helped parents and teachers inspire children to observe, explore, and care for the environment. He challenges children to "Lend a hand, care for the land!" and to take an active role in caring for the land through recycling, reusing, and reducing waste; gardening, planting, and caring for trees; using resources wisely; and not littering.
