Flower Show School is a comprehensive program that teaches all you need to know about judging, entering, competing, and claiming an MGC Flower show. There are four courses each scheduled over a 2-3 day period, and each with a specific curriculum that includes horticulture, design, and flower show procedure (FSP). If you are considering becoming a Flower show judge, planning to chair a Flower show, or simply want to learn more, your first step is to attend **Course 1**. Subjects are taught by qualified instructors and outlines will be provided.

Interested in learning more about Flower shows? Visit our **MGC FLOWER SHOWS PAGE** on the MGC website www.mgcuk.org

Examples of horticulture and design are displayed and critiqued. Learn pointers on how to evaluate how entries are judged and see what it takes to get the blue ribbon. Learn about awards, types of shows, and what commitments are needed to produce a show. We invite you to join this unique experience and become an active part of Flower shows. See the **MGC Handbook for Flower Shows** and all related forms on our website: www.mgcuk.org
