INSTRUCTORS

Timothy Banfield, PLA, ASLA

President/Owner of Outdoor Living, Inc. and a Licensed Landscape Architect and
Licensed Residential Builder in the State of Michigan.

Mike Holmes, Michigan Licensed Landscape Architect

Landscape Industry Trade Seminars, 1992 to Present

Topics ranging from: Insect infestations, planting, hardscape, lighting, business
management, garden design, new plant introductions, estimating, photography.

Peter J. Motz, Retired Landscape Architect

Owner of a landscape contracting firm

Pete is a past president of the Michigan Nursery and Landscape Association
and formerly an adjunct professor at Lansing Community College.

He is a graduate of Michigan State University.

Carolyn Miller, M.A. Biology

Carolyn is the Plant Recorder/Invasive Species Coordinator
at Michigan State University.

She is responsible for mapping and recording data for trees and shrubs
across the 5000-acre campus, using GPS and GIS technologies.

In addition, she coordinates invasive species removal in natural areas and
along the Red Cedar River.

She is the owner of Two Green Thumbs Gardening, LLC, Lansing, MI
where she consults, designs, and installs native landscapes around the
Lansing area, focusing on urban yards.

rpolad@migardenclubs.org

Lunch and Continental Breakfast is included

Please contact Ann Schoals with any food allergy and dietary concerns:

aschoals@gmail.com

EXAM

For Consultants Certification

All Michigan Garden Clubs (MGC) members who successfully complete all four courses with exam results at 70% or higher will qualify for title of National Garden Clubs (NGC) “Landscape Design Consultant.”

The exam and the course evaluation will be available online. The link to the exam and the evaluation will be emailed to participants on September 25, 2025. The test and evaluation will be available from noon on September 26 until 11:00 pm on October 4, 2025. Participants will have 3 hours to complete the test in one session. Do not log out or turn off the computer during the test.

There will be 30 multiple questions on material covered in the classroom. The exam may be completed using your class material and notes. The Site Plan Visit and Evaluations that participants complete during class is worth 40 points toward the final score.

Nonmembers may complete the courses and the exam, join an MGC garden club within a year from the last course, and become an NGC “Landscape Design Consultant.”

All MGC Landscape Design Consultants also automatically become a member of the MGC Michigan Consultants Council at no cost.

There is also an option of continuing education to renew an NGC “Landscape Design Consultant” title every five years.

IMPORTANT NGC FORMS for Consultant Certification

All attendees seeking credit for this program must have an NGC Form 6 or 7 on record with the MGC School State Chair.

If this is your first course, fill out a Form 6,
or your first Refresher, fill out Form 7. Follow the links below:

NGC Form 6

[Click here for NGC Form 6](#)

NGC Form 7

[Click here for NGC Form 7](#)

Submit your completed Form 6 or Form 7 via email to:

Deb Plichta

dplichta@migardenclubs.org

If you are from out of state, please request
an official record from your State School Chair.

*Note: All lectures and tours must be attended for credit to be given.
If you have a disability and need accommodation, please contact the
local chair before registration to facilitate accommodation.*
