Instructors:

Danielle Brabazon - Horticulture

Danielle Brabazon is a Pennsylvania farm girl at heart who earned a PhD in Chemistry and tenure before deciding her life would be greener staying home with her two children. The world of garden clubs presented itself, the seed was planted in her neighborhood club and now, 25 years later, she has bloomed into President of the National Capital Area Garden Club, the state associated with Washington DC. Her passion for knowledge has resulted in NGC Four Star status with a goal to become a Five Star. Her husband supports the ever changing landscape of their backyard as they experiment with vegetables, shrubs and perennials.
Danielle loves to travel and looks forward to inspiring others to appreciate the wonders of Horticulture through Flower Show School as a Life Accredited Judge.

Plant Groups to be studied: Cut Aroid Foliage and Container Grown Echeveria

Gina Jogan - Design and Flower Show Procedure

Gina Jogan is a graduate of Florida State University with a B. S. in Elementary Education and Mathematics. She is an NGC Master Judge, and Flower Show School and Symposium instructor teaching Design and Allied topics and Flower Show Procedure. She currently serves on the NGC Board of Directors as Chairman of the Flower Shows and Flower Show Schools committee as well as Design and Flower Show Procedure new Instructors Chairman.

Design Types to be studied: Traditional Line, Traditional Line-Mass and Traditional Mass
